17 state must award grants annually. The division of archives and  
18 records management must consult with the chief information officer to  
19 develop the criteria for grant recipient selection with a preference  
20 given to small local governmental agencies based on the applicant  
21 agency's need and ability to improve its information technology

9 replicated and shared with other governmental entities. Grants are  
10 provided for one-time investments and are not an ongoing source of  
11 revenue for operation or management costs. A grantee may not supplant  
12 local funding with grant funding provided by the office of the
