Lori has more than 25 years of experience delivering winning litigation and negotiation strategies to her clients. She is recognized as one of the nation's top environmental lawyers and has defended clients against over 80 citizen-suit or agency enforcement actions.

Lori's experience includes defending her clients in cases involving some of the most complex water quality issues in the country. Lori has extensive experience with the Clean Water Act, RCRA, the Safe Drinking Water Act, the Clean Air Act, EPCRA, and the Endangered Species Act.

She is consistently recognized by her clients and peers, including *Chambers USA*, where she is described as “a tenacious advocate for her clients. She is sought out for her substantial experience in CWA and water quality matters, her great reputation and her specialized knowledge base.” Additionally, Lori is recognized by *The Best Lawyers in America*® in three separate categories: Environmental Law, Litigation-Environmental and Natural Resources Law, with one client commenting, “her knowledge of Environmental Law is exemplary. Not only does she know the laws, but she is an excellent strategist. She communicates with her non-lawyer clients very effectively.”
