11th Annual PCMA/MPI Annual Industry Summit a Success

By Greg Duff on 9.28.12 | Posted in Group Sales and Events

Yesterday, PCMA and MPI presented their 11th Annual Industry Summit here in Seattle at the Washington State Convention Center in Seattle. I had the pleasure of participating at this always well-attended event and spoke on current trends in the world of group contracts. If you would like a copy of my presentation, please use this link: [Group Sales Contracts: Current Trends and Interesting Case Studies](#).

Congratulations to Summit co-host Cathy Mason for another terrific event. I look forward to seeing everyone at next year's Summit.
