

"Key Legal Issues in Hospitality," 2018 Visit Seattle Hotel Symposium

Speaking Engagement
July 31, 2018
Seattle, WA

Contact

Greg Duff

Greg Duff will present key legal updates and hot issues affecting the hospitality industry, including:

I-124, the Hotel Employees Health and Safety (HEHS) Initiative

Short-Term Rentals

General Data Protection Regulation (GDPR)

About the Symposium. This is a great program for Seattle-area Hotel General Managers, Directors of Sales & Marketing and Directors of Revenue Management. The presenters at this program provide rich historical data defining short-term trends that assist members in the development of annual budgets. Information is used to support assumptions on potential demand in defined market segments and possible sales strategies. More information is available on the [Visit Seattle website](#).
