

"APTC Corrects the Record: Appraisal Strategies to Combat Improper Valuation of Real Property by Assessing Authorities," APTC 23rd Annual Property Tax Seminar

Property Tax Conference
10.25.17-10.27.17
Chicago, IL

Cynthia Fraser is Co-Chair of APTC's 23rd Annual Property Tax Seminar. This year's topic is: **"APTC Corrects the Record: Appraisal Strategies to Combat Improper Valuation of Real Property by Assessing Authorities"**

This program will tackle a national trend towards taxation of business assets and not real property in retail, commercial, and industrial properties. The seminar is designed to arm you with legal support, appraisal theory and negotiation techniques to assist you in combating the false narrative of the taxing jurisdiction and "Correct the Record."

[APTC](#) seminars provide an exclusive forum where invited guests can collaborate with nationally known presenters and experienced property tax attorneys to develop strategies to successfully reduce and manage property taxes.
