

## **Form I-9 Audits and Investigations: What Employers Need to Know**

Seminar

March 31, 2010 | 12:00 p.m. - 1:30 p.m.

Garvey Schubert Barer, Seattle, WA

The government's promise of more Form I-9 audits, and the hefty fines that go along with mere "paperwork" violations, are enough to keep employers up at night. Garvey Schubert Barer invites you to attend a Labor & Employment Seminar designed to keep the auditors at bay - by giving you practical advice for proper Form I-9 documentation and a good night's rest. Gregg Rodgers, one of the leading immigration attorneys in Seattle, will discuss:

Top 10 Form I-9 Mistakes

The Nuts and Bolts of E-Verify

Responding to Audits and Investigations

**This event has been sold-out!**
