

# Investing in the West Coast of the United States - The Fifth Largest Economy in the World

Investment Seminars in China  
5.22.17 | 5.24.17 | 5.26.17 | 1:30 PM CST  
Beijing / Fuzhou / Shenzhen, China

## WHAT

If you are considering investing overseas, and especially in the United States, this seminar offers your company - or you as an individual investor - a unique chance to learn how to wisely choose your investment strategy. The discussion focuses on investing in real estate in the West Coast of the United States – California, Washington, and Oregon. These three states generate over 3 trillion U.S. Dollars in GDP, and would comprise the fifth largest economy in the world, if combined.

## SPEAKERS

Leading law firms [Garvey Schubert Barer](#) and [Hanson Bridgett LLP](#) have deep expertise in all forms of real estate investment for such sought-after locations as Los Angeles, Seattle, San Diego, San Francisco, Silicon Valley, and Portland, Oregon. Simultaneous translation will be provided.

## WHO SHOULD ATTEND

Whether you are interested in development projects, or investments in hotels, senior living facilities, multi-family, office or industrial properties, our experienced speakers will provide you with up to date details on how these markets are performing and why you should consider them in making your investment decisions.
