Join Foster Pepper Employment and Labor Relations attorneys in person or via webinar for a complimentary breakfast briefing on Tuesday, September 17, 2013.

In a departure from our usual format, we have invited representatives of three agencies with responsibility for enforcing federal, state and municipal EEO laws to address our clients and guests. Officials with the **Equal Employment Opportunity Commission**, the **Washington State Human Rights Commission**, and the **Seattle Office for Civil Rights** will share their organization's enforcement priorities or offer tips for employers to more effectively work with their agency. And, each will take your questions.

Foster Pepper attorneys will also present a brief update on recent employment and labor law developments
