

"Ominous Clouds: Things That Can Make Blue Sky Lawyers Blue," WSBA 38th Annual Northwest Securities Institute CLE

Speaking Engagement
May 4, 2018
Seattle, WA

Dan Keppler will participate in this panel discussion focusing on pitfalls, traps and liability issues involved in navigating state securities laws and regulatory agencies of the Pacific Northwest.

This is part of a one-day CLE program hosted by the Washington State Bar Association (WSBA) that includes essential updates from the region's state regulatory agencies, along with the latest from the SEC's San Francisco Regional Office and the Division of Corporation Finance.

For more information and to register, visit [the WSBA website](#).
