Tim has a broad commercial litigation practice and focuses on class action defense, intellectual property disputes and complex litigation. He has more than 30 years of experience prosecuting and defending actions in state and federal courts in addition to administrative hearings, regulatory enforcement proceedings and arbitrations.

Tim has extensive experience in complex securities class action cases defending officers, companies and directors. A significant portion of Tim's practice is dedicated to defending financial institutions and other companies in consumer protection, employment and other class actions. In the area of intellectual property, Tim has substantial experience in disputes involving trademark, trade secret and copyright infringement.

Tim is consistently recognized by his peers in industry publications such as *The Best Lawyers in America*® for his work in commercial litigation, as well as banking and finance, intellectual property and securities litigation.
