

"Entity Classification – Another Look at the Check-the-Box Regulations," New York University Summer Institute in Taxation

Speaking Engagement
July 27, 2017
New York, NY

Larry Brant explores entity classification under the check-the-box regulations, including recent developments, flexibility and planning opportunities created by the regulations, traps that exist for the unwary, and practical tax practitioner guidance.

Download the conference brochure and obtain registration details at the [NYU Summer Institute in Taxation webpage](#).
