

## "Stayin' Alive: Legal News You Need to Know," APT Fall Marketplace

Speaking Engagement  
November 11, 2019  
Scottsdale, AZ

At the American Public Television (APT) Fall Marketplace, Melodie Virtue will review the FCC's modernization of broadcast rules to reflect the morphing media environment and what the rule changes mean for station management and producers. She will also discuss other hot button enforcement issues such as underwriting sponsorships and indecency, license renewals, online public file tricks, the fast-approaching biennial ownership reports and what's cued for future action.
