Property Tax

Michael Mangan will explain Oregon's unique property tax system. He will present an overview of Measure 5 and Measure 50, along with an explanation of some key statutes and Department of Revenue rules on the appraisal and assessment of industrial and centrally assessed properties. He plans to cover:

"Measure 5"

"Measure 50"

"Especial" Properties

State Appraised Industrial vs. County Appraised Industrial

Unit Valuation

Allocation to the Counties

Overview of Exemptions
