

Tax and Legal Aspects of Merging LLCs

Seminar
November 15, 2011
Garvey Schubert Barer, Seattle, WA

We are pleased to invite you to Garvey Schubert Barer's next Tax Roundtable event: Tax and Legal Aspects of Merging LLCs. We are hosting this event in the Seattle and Portland offices.

With the proliferation of different business entity forms, including C corporations, S Corporations, Limited Liability Companies, Limited Partnerships and other pass-through entities, clients looking to sell or acquire a business may be faced with the prospect of merging an LLC into another LLC or potentially merging an LLC with another type of entity. This requires careful planning as it can be a complex process involving the intersection of state LLC, partnership or corporate law and tax law.

We look forward to a lively discussion and hope to see you there.

Please feel free to invite other members of your firm.
