IP & Technology

A panel discussion about the intellectual property issues, including copyrights, trademarks and patents, involved with video game development. The panel was moderated by Michelle Miu, The Myers Law Group (Irvine, California), and featured:

- Giselle Girones, Shullman Fugate PLLC (Jacksonville, Florida)
- Ben Hodges, Foster Pepper PLLC (Seattle, Washington)
- Yan Perng, NCSOFT (Bellevue, Washington)

The panel was presented by the American Bar Association Young Lawyers Division and Internet Law Committee.
