

"Stayin' Alive: Legal News You Need To Know,"

Event
October 7, 2019

Learn about the FCC's modernization of broadcast rules to reflect the morphing media environment, with a rule change just about every month and what it means for you as station management and producers, as well as other hot button enforcement issues such as underwriting sponsorships and indecency, license renewals, online public file tricks, the fast-approaching biennial ownership reports, and what's cued up for future action.
