

"Development Agreements Between Municipalities and Private Parties," Strafford CLE Webinar

Panel Discussion
December 12, 2019
Webinar

This CLE webinar will offer guidance to both private and local government attorneys negotiating development agreements. The panel will discuss key terms to include to ensure effective implementation and protect against challenges to the agreements.

Rob Mecklenborg will participate on a panel reviewing these and other topical issues:

- How development agreements provide benefits to local government and developers
- Issues to address in development agreements
- How development agreements can be structured and monitored over time

For more information and to register, visit the [Strafford website](#).
