Foster Garvey's Washington, D.C. office, which opened in 1972, is an essential component of our firm's national presence. Our team of skilled attorneys offers legal services across a diverse range of industries, including [Cannabis](#), [Transportation & Logistics](#), [Communications](#), [Telecom & Media](#), [Election and Political Law](#), [Public Policy & Lobbying](#), and [Financial Services](#). We are dedicated to helping our clients navigate complex regulatory and advocacy matters, and ensuring compliance with federal, state, and local government agencies.

Our Communications, Media & Telecom practice has received national recognition for excellence in the *U.S. News-Best Lawyers*® listing of “Best Law Firms.”

Foster Garvey attorneys are deeply committed to their communities and actively serve on various boards of organizations such as Native Public Media, Public Media Company, Hennock Institute, and Epilepsy Foundation Legal Defense Fund. In the broadcasting community, Brad Deutsch regularly contributes to radio broadcast publications, including the Radio Advertising Bureau's Radio Matters blog, *InsideRadio* and *Radio World*. Melodie Virtue is a frequent presenter at industry conferences, including the National Federation of Community Broadcasters Community Media Conference, National Association of Broadcasters Leadership Foundation, and the Public Radio Engineering Conference. Melodie is also a regular contributor to broadcasting publications such as *Communications Daily*, *Radio & Television Business Report*, and *Radio World*.
