

What's the Right Property Tax Valuation Approach for Industrial Real Estate?

Publication
Summer 2023
Development

Cynthia Fraser and Lisa Laubacher of Popp Hutcheson PLLC, wrote an article titled “What’s the Right Property Tax Valuation Approach for Industrial Real Estate?” on behalf of the American Property Tax Counsel for the Summer 2023 issue of NAIOP’s *Development* magazine. The article discusses how industrial properties have varying designs and functions, making it necessary to use different valuation methods for each property.
