

Summer Associates

Upcoming Summer Associate Opportunities

Are you interested in gaining real-world experience in a prestigious yet friendly law firm? Foster Garvey is seeking enthusiastic and dedicated law students to join our team as Summer Associates in our Seattle office in 2024.

We are looking for candidates who possess excellent written and analytical skills, with a strong academic record and a passion for producing outstanding work. Our firm is committed to providing summer associates with direct client service, meaningful work, and opportunities for professional growth. You will be assigned an associate and principal mentor to provide guidance and support throughout your time with us.

As a summer associate, you will have the opportunity to work on high-profile cases, such as drafting trial briefs or summary judgment motions, analyzing contracts on behalf of major corporations, and participating in international transactions. You will also have the chance to work on public service matters, such as protecting the rights of society's most vulnerable people.

At Foster Garvey, we believe that collegiality, diversity, equity, and inclusion are essential to our firm's culture and the way we do business. Our [Opportunity & Progress Council \(OPC\)](#) establishes and executes strategic initiatives aimed at breaking down institutional and cultural barriers to diversity, equity, and inclusion, and creating an environment where everyone can thrive together.

We value diversity and are committed to creating a supportive and inclusive work environment. We are an equal opportunity employer and welcome candidates from all backgrounds and experiences to apply.

If you are self-motivated, collegial, and passionate about your career, we encourage you to apply for our 2024 Summer Associate Program. [Applications will open on June 1, 2023](#). Please submit your resume, cover letter, reference sheet, and writing sample. We look forward to hearing from you!

Please note:

- *Questions about this process should be directed to georgia.woodruff@foster.com and jesse.vanduynd@foster.com.*
- *Our Portland, New York, Spokane and Washington, D.C. offices are not accepting applications for summer 2024.*
