Foster Garvey

Business

Strategic partners in your *success*

Whether you're disrupting the entertainment and media space, shaking up retail or making waves in tech, we bring the legal knowledge and foresight to help you reach your goals.

Our team offers a full spectrum of business services, including corporate finance, emerging company and venture capital, mergers and acquisitions, joint ventures, regulatory compliance, intellectual property and tax. We are committed to helping our clients achieve sustainable growth and long-term success.

While working closely with you, we'll gain a deep understanding of your business objectives, allowing us to craft precise and innovative solutions tailored to your needs. With extensive experience spanning highly regulated sectors such as consumer products, transportation, banking, energy, health care and telecommunications, we guide companies through intricate regulatory landscapes with confidence and clarity.

We also provide comprehensive counsel on corporate governance matters, including board oversight, fiduciary duties, corporate social responsibility, financial disclosures and securities law compliance. Our team partners with corporate management, boards, committees and shareholders to address these responsibilities effectively.
