“Entity Classification - The Check-The-Box Regulations Revisited,” New York University 81st Institute on Federal Taxation

November 17, 2022 San Diego, CA

During this session, Larry Brant will explore entity classification under the check-the-box regulations, including developments in the law, limitations under the regulations, flexibility and planning opportunities created by the regulations, traps that exist for the unwary, and practical guidance for tax advisers.

For more information and to register, visit the [NYU 81st Institute on Federal Taxation website](#).
