Health Law Year in Review 2024

02.18.25

Foster Garvey is pleased to provide an overview of health law updates for 2024, highlighting enforcement activities, trends and updates nationally and within Washington state.

In this publication, we cover several topics relevant to various health care entities, including but not limited to:

- Fraud and Abuse
  - Federal Anti-Kickback Statute
  - Federal Physician Self-Referral Law (Stark Law)
  - Federal False Claims Act
  - Privacy and Security
    - HIPAA Regulations
    - Part 2 Final Rule
  - Washington State and Federal Regulatory Changes
    - EMTALA
    - Charity Care
    - WA Uniform Telehealth Law
    - ... and more!

These updates reflect emerging enforcement activities, new or amended health care laws and regulations and notable cases highlighting compliance risks. This publication is neither exhaustive nor does it address recent or forthcoming changes in federal or state policy.

We hope that these updates will assist you in understanding some new developments in health law for the year 2024. Health care is a heavily regulated industry and health law rapidly changes. Our team at Foster Garvey is here to help. For questions regarding this publication, please contact any member of our Health Care team.
