Connected Through *Impact*

Foster Garvey's Commitment to Serving the Community

We invest in our communities with the same *passion and purpose* we bring to our clients

At Foster Garvey, public service isn't just a responsibility but a privilege. Rooted in the places we live and work, we channel our skills and energy into pro bono cases, volunteer hours and support for causes that matter. Through this work, we're building stronger, more connected communities alongside our clients and neighbors.

How We Show Up

Our people live out our deep commitment in a variety of ways that include offering legal expertise, serving on boards and providing hands-on service. Whether it's securing justice through pro bono work or strengthening local nonprofits, we're devoted to uplifting our communities and making a difference for the greater good.

Where We're Involved

We're proud to partner with organizations that align with our values, including:

- Alzheimer's Association – Washington
- Campaign for Equal Justice
- College Success Foundation
- Habitat for Humanity Spokane
- Mother Attorneys Mentoring Association of Seattle
- Seattle Clemency Project
- University of Washington Foundation
- And more (full list available on request)

Why It Matters

The same dedication we bring to your business fuels our efforts here, creating a ripple effect of progress.

Justice as a Core Commitment

Our pro bono work is a vital expression of our values. Explore how we dedicate thousands of hours each year to opening doors to justice and supporting underserved communities.
