# “Industrial Stormwater General Permit Update,” Washington Public Ports Association Legal Committee

May 19, 2026 Skamania Lodge, Stevenson, Washington

[Brad Doll](#) is presenting at the [Washington Public Ports Association’s Legal Committee](#) at the Skamania Lodge in Stevenson, WA, on Tuesday, May 19. His presentation, with co-presenter Sara Frase, will cover the appeal of the 2025 Industrial Stormwater General Permit, including two settlements reached with the Washington Department of Ecology. They will also address opportunities and risks in the development of the 2028 ISGP.

CLE credits have been approved for this session. Visit the [Washington Ports website](#) to view the full agenda and to register.
