# “Industry Slowdown,” 2026 National Conference of State Liquor Administrators Northern/Southern Regional Conference

September 14, 2026

[Emily Harris Gant](#) will moderate "Industry Slowdown," a panel at the 2026 National Conference of State Liquor Administrators (NCSLA) Northern/Southern Regional Conference. The session will examine the challenges facing regulators and industry members amid declining sales and shifting market dynamics, including the effects on public health and industry revenue.

The panel will feature key industry leaders and will explore how regulators can respond to these evolving challenges through programs and initiatives that support the industry while upholding regulatory oversight.
