Larry Brant and Greg Duff Selected as 'Top Authors' in 2026 JD Supra Readers' Choice Awards

02.23.26 Foster Garvey Newsroom

Foster Garvey is proud to share that attorneys Larry Brant and Greg Duff have been featured in the 2026 JD Supra Readers' Choice Awards, which celebrate leading authors and their thought leadership for the visibility and engagement among business and legal audiences.

Larry was named a Top Author in the Tax category, while Greg earned the same distinction in Transportation and the inaugural Artificial Intelligence category, underscoring Greg's growing influence at the intersection of hospitality, technology and emerging AI innovations.

The Readers' Choice Awards, presented by JD Supra, celebrate top authors across 33 cross-industry topics most read by C-suite executives, in-house counsel, media and other professionals throughout the past year. Honorees are selected from among tens of thousands of contributors publishing on the JD Supra platform.

Larry Brant, who leads the firm's Tax & Benefits practice, assists business entities and high-net-worth individuals with tax planning and guidance, tax controversy, and business transactions. His acclaimed blog, Larry's Tax Law, provides CPAs, tax professionals and clients with in-depth analysis of complex tax issues, as well as other timely federal, state and local tax law updates. A multiple-time recipient of this recognition for Tax since 2019, Larry authors numerous tax-related white papers and articles and frequently appears in leading legal and business publications to examine tax law cases, rulings and developments. He regularly speaks at national, regional and local tax institutes and conferences for attorneys, accountants and other tax professionals.

Greg Duff chairs the firm's Hospitality, Travel & Tourism group and focuses his practice on helping clients navigate the evolving legal and operational risks facing hospitality businesses in today's technology-driven marketplace. In addition to his longstanding thought leadership in the online travel sector, Greg has expanded his coverage into how generative AI and AI platforms are reshaping the hospitality landscape. His popular weekly digest, Online Travel Update, published on Duff on Hospitality Law, delivers a global roundup of news affecting the hospitality, online travel and technology arenas. As an honoree for eight consecutive years, Greg's continued recognition, including his new ranking in Artificial Intelligence, reflects the breadth and relevance of his commentary.
