“Moving Through the Haze: Cannabis & Hemp at a Crossroads” 2026 CLE International Wine, Beer and Spirits Law Conference

October 15, 2026

[Emily Harris Gant](#) will join fellow legal, business and industry leaders at CLE International’s Annual Wine, Beer & Spirits Law Conference.

She will participate in a panel discussion exploring recent federal, state and local legislative and regulatory developments affecting cannabis and hemp businesses, as well as the compliance considerations and business challenges that arise from them.

To learn more or to register, visit [CLE International](#)'s website.
