02.13.18 01.07.26

The Oregon Sports Summit, hosted by Eugene, Cascades & Coast Sports Commission, was held on February 2-3, 2018 at the Valley River Inn in Eugene, OR. The dynamic two-day conference included a mix of keynotes, programs and networking for potential and current sports events planners to create and further develop their events.

On Friday, February 2, I presented “**Slips, Trips and Falls: Managing the Inevitable Risks of Any Sports Event**”, which covered topics including, (1) the key provisions of venue contracts, (2) participant waivers and releases, (3) service provider considerations, (4) sponsorship agreements and associated intellectual property issues and (5) privacy. My presentation is available for download below.

A big thank you for inviting me to attend and present!
