“Spotlight on Arts and Entertainment Law,” Washington State Bar Association CLE

February 12, 2026 Virtual Event

Join Ben Hodges for a half-day CLE program exploring essential topics in the ever-evolving world of arts and entertainment law. Ben and his co-presenters will examine the growing impact of artificial intelligence on creative industries, as well as the increasing importance of tax considerations for artists and arts organizations. This program offers timely guidance on the legal questions shaping today’s arts and entertainment industry.

More information and registration.
