“The Use and Potential Impacts of Generative AI in Law,” 2024 Oregon State Bar Litigation Institute and Retreat

February 23, 2024 Gleneden Beach, OR

Event Sponsor: Oregon State Bar

Justice Brooks will discuss the use and potential impacts of generative artificial intelligence in law at this year's Oregon State Bar Litigation Institute and Retreat. The event will highlight compelling case studies showcasing how GenAI is revolutionizing legal processes, the application and impact of GenAI concepts in real-world scenarios, ethical considerations and potential challenges associated with the integration of GenAI and personal advocacy in the age of technology.
