“Wage Transparency Legislation Brings Unique Challenges and Benefits for Employers”

05.02.23 Radio Matters Blog

Foster Garvey attorneys Steven Peltin, Jared Van Kirk and Hannah Talmage were recently interviewed by *Radio Matters Blog* for a Q&A titled, “Wage Transparency Legislation Brings Unique Challenges and Benefits for Employers.”

The Q&A addressed the increasing prevalence of state and local wage transparency laws that mandate employers to disclose salary ranges for job postings. These laws are now in effect in various states, including Washington, California, Colorado, Connecticut, Maryland, Nevada, and Rhode Island.
